

INCENTIVE PAY: CURRENT AND PROPOSED

New domains are scored full, half, or none (your +, +/-, - scale) and calculated automatically from system data.

KEITH

Project Manager • up to \$5,000 per quarter (unchanged)

CURRENT: Measurement Quality, Data Integrity, Customer Satisfaction, Project Delivery. Pass or fail, \$1,250 each.	
PROPOSED DOMAIN	PAYOUT BY RESULT
Spec Accuracy Two checks. Measurement: value of products reordered because of mismeasurement, as a share of product cost. Estimation: value of materials added on the job because of under-scoping, as a share of materials cost.	\$1,250 both / \$625 one / \$0 neither
Data Integrity no overdue Pipedrive activities	\$1,250 if clean / \$0 if not
Yard Signs sign left on sub installs	\$1,250 at 90%+ / \$0 below
Testimonials customer videos he films	\$1,250 (5+) / \$625 (3 to 4) / \$0 (0 to 2)

BRANDON

Operations and customer service • up to \$4,500 per quarter (unchanged)

CURRENT: Pipedrive Perfect, A/R Management, Consistent Performance. Pass or fail, \$1,500 each.	
PROPOSED DOMAIN	PAYOUT BY RESULT
Pipeline Accuracy Share of deals passing all four hygiene checks: no overdue activities, no zero-value deals that should have a value, a next activity always scheduled, and deals marked won when they should be.	\$2,250 full / \$1,125 half / \$0 none
Collections days from install completion to payment received	\$2,250 full / \$1,125 half / \$0 none

\$4,500 ceiling kept, split across the two domains for now. **Customer service** can be added later and would share the same \$4,500. **Margin** is not part of his role.
